

# IDP PROTECTION ASSESSMENT REPORT (IDPPAR)

## FLOODING IN PAGALUNGAN, MAGUINDANAO DUE TO HEAVY RAINS BROUGHT ABOUT BY TYPHOON OFEL

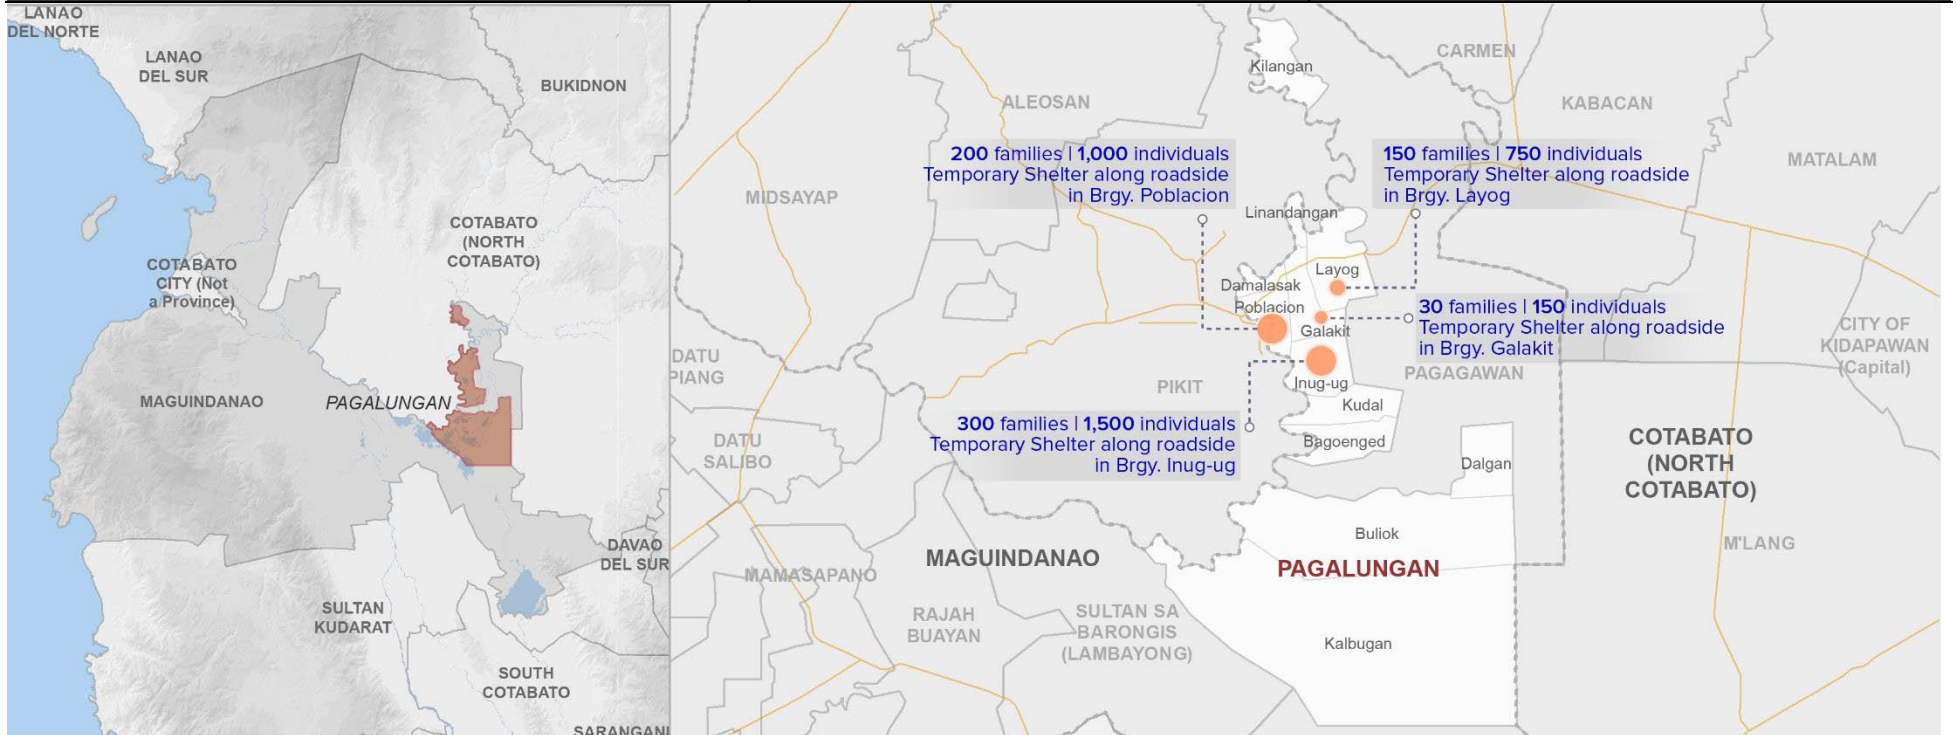

UNHCR exists to protect and assist everyone who has been affected by forced displacement in Mindanao. To coordinate assistance to IDPs, we use a cluster approach. UNHCR works closely with the government and Mindanao Humanitarian Team to identify needs of IDPs in areas of assistance, such as shelter, health care, shelter and protection. We assume a coordination and operational delivery role in IDP situations to ensure protection is central to our work in order to prevent further displacement.

IDPPAR No 18 | Update No 01 | Date of assessment: 23 October 2020

### INCIDENT BACKGROUND

On 14 October 2020, a massive temporary evacuation happened in the Municipalities of Datu Montawal, Pagalungan, Pikit, Midsayap and Pigcawayan due to intense flooding brought about by heavy rainfalls. Hundreds of houses in the Provinces of Cotabato and Maguindanao were submerged in floodwaters due to sudden downpour.

In Pagalungan Municipality, the heavy flooding affected four barangays - Poblacion, Inug-ug, Layog, and Galakit - where most of the residents' houses were submerged to floodwaters.

### CURRENT SITUATION

On 21 October 2020, CFSI conducted an actual assessment on the affected areas in the Municipality of Pagalungan, Maguindanao. Based on the assessment conducted, there were already 10,608 affected households in 12 barangays of the said municipality. Out of which, 680 households of four barangays were forcibly displaced along roadside mostly fronting their houses. The incident also resulted to disruption of their livelihood as there were estimated PhP4,000,000.00 worth of crops damaged.
