Maguindanao Province

STATUS OVERVIEW OF FLASHFLOOD IN MAGUINDANAO

The “*typhoon Ofel, Pepito and Quinta*” had brought continuous heavy rains that resulted to flash flood in the **seventeen (17)** municipalities of Maguindanao province. Most of the affected residents were trapped with their places of origins while only few were forced to leave their houses and seek refuge to the residence of their relatives in the nearby barangays.

The flood affected municipalities are those with geographical locations are nearby river, ponds and marsh. Damage of properties and crops are the usual effect of the flash flood that hampered the livelihood activities of the flood affected families.

As of October 26, 2020, there are **61,286 flood affected families and 306,430 individuals in 148 barangays of 17 municipalities.**

3	DATU HOFFER		CLOSED		ICRC distributed 25kgs rice, 12 tin cans 425grms sardines, 2 liters oil, 1 liter soy sauce, 1 kg sugar, 500g salt in Brgy. Tuayan Mother, Datu Hoffer
4	DATU SALIBO		CLOSED		
GRAND TOTAL		3	626	3,130	

NO.	LOCATION	CURRENT SITUATION	NO. OF AFFECTED FAMILIES	NO. OF DISPALCED FAMILIES	EXPRESSED NEEDS
1	Municipality: Datu Montawal Province: Maguindanao	11 barangays were affected. The floods might rise in the coming days due to the continuing heavy rains. Many of the families affected especially those whose houses are along rivers in the low-lying areas had temporarily evacuated to areas along roadside and/or in higher ground mostly fronting their houses. However, they had already returned to their respective houses as of the time of the assessment.	8,692	0	The affected community expressed their need for assistance in WASH, Shelter, livelihood and food. This contributed to their poor living condition situation in the area. Although there was already assistance given, affected families still expressed their need of more assistance considering their current situation.
2	Municipality: Datu Piang Province: Maguindanao	16 barangays were severely affected. The affected families were still staying at their houses except 4 families that were forcibly displaced because their houses along Rio Grande river were severely damaged by the floodwaters. A huge volume of water hyacinth clogging underneath the bridge also triggered the overflowing that caused the rise of floodwaters in the municipality including nearby areas.	8,369	4	Heavy equipment like amphibious excavator to remove the shaft of water hyacinth under the bridge; food assistance; financial assistance to repair and replace houses swept away by heavy floodwaters; WASH facilities and hygiene kits; school supplies for children's blended learning; and CRIs
3	Municipality: Datu Salibo Province: Maguindanao	17 barangays were affected, and residents whose houses submerged in floodwaters were forced to temporarily flee their homes to relatives or higher ground. At the time of the assessment, the floodwaters were continuously leveling up despite the rains stopped. The extent of the damage of the floods is still being determined by the LGU.	6,712	0	The LGU needs support from the Province and BARMM to determine the long-term effective preparedness and flood prevention mechanism for the recurrent and seasonal flooding within the entire municipality; immediate needs include food relief, CRIs, handwashing facilities, and boats for transportation.
4	Municipality: Mamasapano Province: Maguindanao	The continuous heavy rains caused the mass flooding that submerged about 90% of the areas of the municipality. 14 barangays were affected. Affected families were still staying at their homes. The rise of the floodwaters was expected due to the upcoming Quinta Typhoon.	2,984	0	Immediate needs include food assistance; CRIs/NFIs such as tarps, mosquito nets and mats; WASH facilities such as hygiene kits, clean water, and water storage.

Key Protection Update

Basilan Province

DISPLACEMENT UPDATE

- ❑ Displacement in **Mohammad Ajul Municipality** due to armed conflict/family feud.
- ❑ Displacement in **Lamitan City** due to flooding but IDPs have already returned.
- ❑ 207 families that were protractedly displaced from **Tipo-Tipo Municipality** has already returned to their place of origin. (Source: MSWO Tipo-tipo)

DISPLACEMENT OVERVIEW IN **BASILAN PROVINCE**

Key Protection Issues

Protection Issues	Response	Needs and Gaps
Threats from both warring parties continue to create fears. There is likelihood that the families of the victims and the perpetrator might cross paths because they are neighbours and reside in the same town.	The Barangay LGU has sought the assistance of the security forces such as AFP and PNP and the BIAF.	Establishment of military detachment/post in Sitio Fuente, Brgy. Tuburan Proper, Hadji Mohammad Ajul Municipality to pacify the tension between the feuding families.
There were fears and apprehension from the civilians on potential escalation, if tension is not defused.	Community leaders will propose to the MLGU to request for the establishment of AFP detachment in the area where the ambushed incident has occurred.	

DISPLACEMENT OVERVIEW IN **BASILAN PROVINCE**

Key Protection Issues

Protection Issues	Response	Needs and Gaps
No food assistance has been extended. Some families were exposed to great risks of getting infected of the COVID-19 to support day to day living.	No response monitored.	Provision of foods to the IDPs
Some teachers, parents/students expressed fear over collecting module in the schools because of the growing tension. One of the teachers narrated that no parents appeared to collect the modules of their children scheduled last 19 October 2020	No response monitored.	Referral of the issue to the school authorities who could come up with a mechanism on the distribution of modules for the students in order not to disrupt the education of the displaced children.

Responses from the P/MLGU and other humanitarian agencies:

- Food Security Program
- MPOC meetings and resettlement of family feud
- Continuous accommodation of LSIs and ReFs
- Covid-19 awareness programs
- Livelihood program for ASG returnees
- Hanapuhay for Bangsamoro Balik Manggagawa Program of MOLE

Key Protection Update

Sulu Province

DISPLACEMENT OVERVIEW IN **SULU PROVINCE**

- 89 IDP families from Barangay Taung who were displaced last 30 July 2020 have returned to their respective residences beginning 29 September 2020.
- Returning IDPs were provided with assistance consists of food packs from LGU and hygiene kits from UNHCR.

Displacement Location	Current Location	No. of Families	Remarks
Covered Court	Sitio Nangka	21	Returned
Tuburan (home-based)	Sitio Nangka	47	Relocated
Tuup (home-based)	Sitio Sulu	21	Returned

Balik Barangay Program

- 209 IDPs from Barangay Maligay are scheduled to be returned home on 5 November 2020.
- The IDPs of Barangay Maligay have started cleaning and constructing their houses on 15 October 2020

Key Protection Update

Tawi-tawi Province

DISPLACEMENT OVERVIEW IN TAWI-TAWI PROVINCE

DISPLACEMENT UPDATE

- On 19 October 2020, 46 Samah-Bajau families (85 individuals) were displaced in Sitio Tong Kallang, Barangay Sanga-Sanga in Bongao Municipality due to storm surge brought by Tropical Storm Pepito.
- 46 houses were totally damaged; IDPs are temporarily settled at the Yusop Daiz Elementary School.
- Identified needs includes food and non-food items such as tarpaulins, kitchen sets, clothing and hygiene kits

- Simsiman
- Datu Binasing
- Buricain
- Lower Baguer
- Datu Mantil

Midsayap, North Cotabato

**1 Barangay (Sambulawan), SGA,
BARMM
893 displaced families or est. 4,465
Individuals**

Protection Issues/Needs & Responses

Protection Issues/Needs	Responses
Area is a flood-prone hence the need for a standby water transportation when the water increases	Protection partner conducted protection monitoring on 23 October 2020 No responses related to distribution provision of assistance.
Affected families are susceptible to water borne diseases	
Improper sleeping materials to both children and adult including PWSN making the IDPs exposed to bad weather condition.	
IDPs suddenly left their home hence the need of core relief items such as hygiene kits, mosquito nets, sleeping materials.	
Need of potable water, handwashing facilities and portalets/movable toilets.	
There is a shortage of food and no feeding assistance provided	
Hampered learning due to the current situation.	

Affected Areas by the Tropical Depression "Ofel" and Tropical Depression "Pepito" in Region 12

- **Affected Municipalities:**
 - **Kabacan and**
 - **Pikit**
- **121,160 total affected populations**

Tropical Depression “Ofel”

14 October 2020

Kabacan, North Cotabato

Key Figure:

- 867 displaced families (4,335 individuals)
- 750 families (3,750 individuals) in the Evacuation Center
 - EC Sites: Barangay Kayaga, Malanduaque and Kilagasan
- 117 families (585 individuals) in home-based setting

Identified Needs:

- Laminated Sacks, Family Food Packs, Sleeping Mats and Hygiene Kits

Responses:

- Conduct of RDANA
- Released of 550 family food packs and 995 plastic mats by DSWD/LGU

Progress:

- EC in Brgy. Malanduaque is now closed
- IDPs figure reduced to 720 families (3,600 Individuals) making the total current displaced due to the TD Ofel in North Cotabato down to 837 families (4,185 individuals)

Tropical Depsression “Ofel”

14 October 2020

Pikit, Noth Cotabato

Key Figure:

- 30 affected Barangays
- 21,242 IDP families or est. 106, 210 individuals

Protection Issues/Needs	Response
Flood prone areas making the IDPs susceptible to water borne diseases	Barangay health workers actively monitoring the affected barangays
Area nears riverbanks hence the need of standby water transportations/boats	MDRRMO rescue team monitoring the situations in the area
Tarpualin are among the requested needed items along with mosquito nets and sleeping materials (e.g. blankets)	
Wash facilities had submerged hence the need of hygiene kits, handwashing facilities and movable toilets	
Need of sufficient food supply especially crops as source of livelihoods are greatly affected	Provisions of 5kg rice and 3 packs of noodles

Tropical Depression “Pepito”

20 October 2020

Key Figures

- Affected 2 Barangays in Makilala, North Cotabato (Brgy. Kisante and New Bulatokan)
 - 160 displaced families (686 individuals)
 - 82 families (296 individuals) in the Evacuation Center in Barangay Kisante
 - 78 families (390 Individuals) Home-based
- ***Seeking update from protection partners and concern government partners of its status (**Responses and progress**)
