Key Protection Update

Maguindanao Province

Status of Disaster/Emergency in Maguindanao:

- > The province of Maguindanao had experienced isolated rain showers due to localized thunderstorm this month of October and November that caused flood in the 22 municipalities of the province and given its geographical situation as the catch basin for the downpour of upstream water.
- > To date, as the flood subsided, there are still four (4) municipalities with 21 barangays are still under flooded with 7130 flood affected families and 35, 650 individuals.
- > Series of relief distributions were already conducted by different agencies, NGOs and INGOs. The latest was the relief distribution in Datu Anggal Midtimbang, wherein 508 flood affected families were provided 25 kilos of rice each.
- > Meanwhile, municipality of Datu Saudi Ampatuan had experience hurricane of strong wind last November 21, 2020 wherein 116 houses, 2 madrasah and 1 mosque were damaged.
 - ❖ No reported casualties and displaced families were reported.
- > Datu Anggal Midtimbang also experienced hurricane and 6 houses were damaged.
